

DEPUTY FIRE CHIEF OF TRAINING

NATURE OF WORK

This is responsible administrative and supervisory work planning and coordinating the Fire Department's training program.

Work involves researching, developing and managing training programs for all Firefighters, Firefighter/Paramedics, Fire Apparatus Operators and Fire Captains; scheduling and instructing training sessions; developing public awareness and public educational programs; and developing and administering yearly examinations to evaluate each employee's understanding of a wide variety of firefighting topic areas. Work also involves developing and maintaining lesson plans, drill manuals, training records and examination scores for each employee; and evaluating individual performance at monthly training sessions. Supervision is received from the Fire Chief with work being reviewed in the form of the overall effectiveness of the delivery of firefighting and medical emergency services. Supervision is exercised over Captains assigned to the training division.

EXAMPLES OF WORK PERFORMED
